

Mansoura university	Master Exam	Code: 7716
Faculty of Engineering	Textile Finishing	Time: 3 hours
Textile Department	9 / 9 / 2013	Degrees: 100 marks

Answer four questions only of the following chemical finishes of cotton fabrics:

- 1) Using Nano Silver as antimicrobial agent.
- 2) Fire proof finishes.
- 3) Antibacterial finishes.
- 4) Anti-soil finishes.
- 5) Anti-crease finishes.

Note that: All questions have equal degrees (25 marks).

With my best wishes,

Prof. Dr. A. M. Elhosini
